Carlei Estate has come a long way in a short time, with Sergio Carlei graduating from home winemaking in a suburban garage to his own (commercial) winery in Upper Beaconsfield, which falls just within the boundaries of the Yarra Valley. Along the way Carlei acquired a Bachelor of Wine Science from CSU, and has established a 2.25-ha vineyard with organic and biodynamic accreditation adjacent to the Upper Beaconsfield winery. His contract winemaking services are now a major part of the business, and are a showcase for his extremely impressive winemaking talents.

Bright, clear colour; the excellent length and persistence is the first impression on tasting, then the array of fine black cherry and plum fruit; lovely tannins to a high-quality pinot. Screwcap. 94/100
